

Wiscasset Waterfront Committee
Draft Minutes July 11, 2013

Present: Dan, Susan, Rick, Frank

Harbor mater Report:

No tanglements of gear in moorings

40 ft boat broke loose, was found and returned

Lobster boat capsized and righted with collaboration of town crane, fishermen and WYC

Some thefts: motor, gas tank, crate of crabs, gas hose

Even with free board, kayaker/ fish tripping has not been fruitful. Making other arrangements

Dan is looking into rehabing our pump and exploring the condition of the holding tank to move forward on the proposed pump out station and application. Will require security.

Some loose, rotted boards on Main St pier have been replaced/ fixed/ made safe.

Discussion about the 'you are here' banner for the Restroom building, map in the works

Need for better restroom facilities or access.

Brought up possibility of enhancing the flavor of the main st pier using a shanty/ decorative theme...to make more inviting.

Continue to support a walkway to connect both piers and will bring up with Selectboard upon their harbor tour.
