

Wiscasset Transportation Committee
April 6, 2009

Present: Don Jones, Cindy Fischer, Lois Kwantz

Absent: Seaver Leslie, Sean Rafter

The meeting opened at 7:08 PM with a review of the minutes from March 9, 2009. We agreed to eliminate from paragraph #2, sentence #3 the following phrase "corrected to read Eastern Maine railroad rather than Maine East railroad in the various paragraphs that were wrong. After the corrections, the minutes were". We removed this "correction" because the because what was originally in the February 9th minutes did not need to have any corrections made. After making this change, the minutes for March 9th were adopted by a 3-0 vote. Don has sent an email to Travis Pryor to inform him that the correct name for the organization is Maine Eastern Railroad, not Eastern Maine...

Don handed out a list of members serving on the newly formed Bike/Pedestrian Committee. The first meeting is scheduled for April 15th in the LCEDO space. Bob Faunce has sent this information to Art Faucher. Bob would like to see the committee members officially appointed by the board of selectmen. He is also attempting to see if might be some financing available from the stimulus funding.

We spent the rest of the meeting reviewing the latest map/layout for the Railroad Ave. improvements prepared by Travis and Wright-Pierce. We all agreed that we were very pleased with what has been proposed and hope that there will be quick action taken on this project. It would be wonderful for phase 1 to be completed for the Wiscasset celebration next year.

There being no other business, we adjourned at 8:09 PM. Don will notify us if there needs to be a meeting in May. It is more likely to happen in June.

Respectfully submitted by Lois Kwantz, Secretary
