Present: Margo Strong, Dave Gagnon, Dick Forrest, Frank Sprague, Susan Robson, Ben Averill

Call to Order 7:07 pm

Rock Lobster Relay's first Season July 2 was a success, WFC and other volunteer participation generated \$1000 for the WCC Scholarship fund. Food and water was provided for the relay teams as they came through and accounted for from 5 – 9 am. All went smoothly.

Kayak Regatta ended at the Waterfront July 2, well attended.

July 4 activities at the Waterfront were successful.

Application reviewed for Petersville Furniture and Home Décor. WFC approved the Application 5/0 and recommended placement on the North side of the Rec Pier... on the grass. Location on the Main St. Pier would conflict with the Two Bridges Jail products.

We are making a final review and updates of the pier policies, to be mindful now of the rec pier and downtown project. Discussion and approval moved to the August Meeting.

No new updates on White's Island being turned over to the Town.

Pump Out Apparatus needs to be checked for operability... Ben

Ben informed us of the possibility of an atm on the pier... Which pier?????
