Recommend that 4 vendor locations be placed in the northwest corner of Main street Pier footprint. Ben will notify present vendors Forgotten Recipes and Potter's Shed that if additional vendors should apply and be approved then they would have to move to the proposed locations.

A letter of support for the town planner, Ben Averill, will be sent to the Selectmen and Town Manager. The WWC appreciates his help, attitude and considerable knowledge of the Town administrative workings. He brings this to our meetings and he is greatly appreciated.

The rental policy at the Recreation Pier has been changed by the selectmen. Rental spaces are now \$250.
