

WFC May 9, 2019 Meeting minutes. Draft

Present: SR, RCF, Frank, Dave, Ray

220... need quote; breakers available in Harbor Master Building.

looking into a "pigtail on the Commercial Floats so water use can be better controlled.

Follow up with BOS what we recommend for Boat insurance and why... General Salvage is part of a comprehensive policy.

Providence Mast will be stepped.

notes for Pier Policy updates:

discussed increase rents by \$2 per square foot; request a deposit with the application; update the foot prints so buildings skirt the perimeter of the pier..where outlets are.
