1. Updated on planning grants for Dresden and Woolwich, they will be seeking start up grants from Connect Maine. Evan noted he made a draft for Dresden with Town Admin Daniel Swain, Judy Tunkle, and Mary Ellen Barnes, and will send essentially the same draft to Woolwich.
2. We discussed the Damariscotta survey, and went through questions to identify how to better build a survey for our towns. Issues at hand were to keep the survey simple, short, and how to best do outreach and plans after for informational sessions.
